

Thank you for downloading this Chocolate Tasting Printable from *Let's Jet, Kids!*

Directions: Buy a few chocolate bars from your local grocery store. Print the Chocolate Tasting sheets so each person has a copy.

Print one copy of the Chocolate Mat. (Or one for everyone. You Choose!)

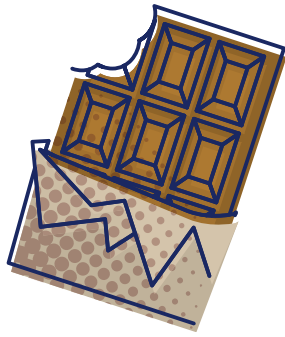

Break a one piece-per-person off the first bar and place the pieces in box #1 on the Chocolate Tasting Mat. Repeat with second bar, putting pieces in box #2, and so on with however many bars you have.

Then, beginning with the chocolate in box #1, everyone will take a piece and fill out their tasting sheet. Then move on to #2 and so on. Remember to take your time with each choice and savor each bite!
